

## **Lucara Announces Appointment of Vice President of Corporate Development and Strategy**

VANCOUVER, June 13, 2018 /CNW/ - (LUC - TSX, LUC - BSE, LUC - Nasdaq Stockholm)

Lucara Diamond Corp. ("Lucara" or the "Company") is pleased to announce the appointment of Ayesha Hira as Lucara's Vice President of Corporate Development and Strategy, effective immediately.

Ayesha Hira is an experienced executive who began her career as a Canadian geologist. Working initially in diamond, base metals and gold exploration, she transitioned to capital markets working with mining companies listed in North America, Australia, South Africa, UK and Europe, and dealing with a global buy side client base. As Lucara's Vice President of Corporate Development and Strategy, Ms. Hira's primary responsibilities will be investigating strategic growth opportunities including mergers and acquisitions. She will also be integral in assisting the CEO with corporate communications and shareholder relations.

Eira Thomas, President & CEO commented: "As a geologist turned banker, Ms. Hira injects important skills and experience into our business at the right time. She is ideally suited to leading an assessment of potential growth opportunities for Lucara going forward. She will also play an important role in strengthening our approach to corporate communications and shareholder relations for both Lucara and Clara."

### **CAUTIONARY NOTE REGARDING FORWARD LOOKING STATEMENTS**

Certain of the statements made and contained herein and elsewhere constitute forward-looking statements as defined in applicable securities laws. Generally, these forward-looking statements can be identified by the use of forward-looking terminology such as "expects", "anticipates", "believes", "intends", "estimates", "potential", "possible" and similar expressions, or statements that events, conditions or results "will", "may", "could" or "should" occur or be achieved.

Forward-looking statements are based on the opinions and estimates of management as of the date such statements are made, including in respect to Lucara's ability to make future equity and cash payments to the former shareholders of Clara and Clara's founders, facilitators and management and the approval of the Toronto Stock Exchange. These assumptions, opinion and estimates are subject to a number of known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company to be materially different from any future results, performance or achievement expressed or implied by such forward-looking statements. The Company believes that expectations reflected in this forward-looking

information are reasonable, but no assurance can be given that these expectations will prove to be accurate and such forward-looking information included herein should not be unduly relied upon. In particular, this release may contain forward looking information pertaining to the payment of future consideration to the former shareholders of Clara and its founders, facilitators and management and Lucara's ability to make such payment and the approval of the Toronto Stock Exchange.

There can be no assurance that such forward looking statements will prove to be accurate, as the Company's results and future events could differ materially from those anticipated in this forward-looking information as a result of those factors discussed in or referred to under the heading "Risks and Uncertainties" in the Company's most recent Annual Information Form available at <http://www.sedar.com>, as well as changes in general business and economic conditions, changes in interest and foreign currency rates, the supply and demand for, deliveries of and the level and volatility of prices of rough diamonds, costs of power and diesel, acts of foreign governments and the outcome of legal proceedings, inaccurate geological and recoverability assumptions (including with respect to the size, grade and recoverability of mineral reserves and resources), and unanticipated operational difficulties (including failure of plant, equipment or processes to operate in accordance with specifications or expectations, cost escalations, unavailability of materials and equipment, government action or delays in the receipt of government approvals, industrial disturbances or other job actions, adverse weather conditions, and unanticipated events relating to health safety and environmental matters).

Accordingly, readers are cautioned not to place undue reliance on these forward-looking statements which speak only as of the date the statements were made, and the Company does not assume any obligations to update or revise them to reflect new events or circumstances, except as required by law.
